**REACHING OUT TO YOUTH THROUGH ART**

The League of Roanoke Artists Youth Program began in 2004 by bringing art to the Children at the Seventeenth Street Baptist Center.

Our artists then began working in cooperation with the Girl Scouts of Virginia Skyline Council bringing art to children at Hurt Park, Indian Village and surrounding areas.

In 2008 and 2009 Art Camps have been offered through the Girl Scouts with classes being taught in  
Composition, Color, Perspective, Shading,  
Watercolor, Pastel, Colored Pencil, Collage  
Textile Painting and Mosaics

The LRA has received grants from the Cave Spring Optimist Club since 2005 and welcomes your interest and questions about our expanding youth program.
